# InLeit clear wheyPro

With NatWPI90

## Our solutions to your challenges

After an intense workout muscle fibers undergo stress and damage, requiring an adequate **protein intake to promote effective repair and recovery**. InLeit Clear WheyPro, containing **8% protein** sourced from **native whey protein** isolate—commonly known as "fast protein"—is ideal for post-workout nutrition. Its fast-digesting properties support muscle recovery and help accelerate the rebuilding process, ensuring optimal muscle repair and growth.
