InLeit WheyPro

With LeitUp W90H0711

Our solutions to your challenges

InLeit WheyPro Drink is an oral nutritional supplement with **LeitUp hydrolyzed protein**, for the dietary **management of patients with or at risk of malnutrition**, or with increased protein requirements.

Whey protein hydrolysates present all the advantages of whey protein, rich in **Branched Chain Amino Acids and easier to digest and absorb**. Therefore they provide a higher availability of amino acids, which helps support the **development and maintenance of muscle mass**.
