InLeit Nutritional Coffee Shot

With W90H0711

Our solutions to your challenges

InLeit Nutritional Coffee Shot features our innovative hydrolyzed whey protein, pre-digested into smaller peptides for **rapid and smooth digestion**.

LeitUp W90H0711 is perfectly tailored for both supplement and sports nutrition applications. This pH-Neutral formulation is designed to remain stable under UHT heat treatment, ensuring a smooth, **ready-to-drink solution with no gelling and no bitter aftertaste**.
